

Science Enthusiasts 2015-16

Science enthusiasts

Students of Sai Holy Faith High School, Koparkhairane conducted a science exhibition in school recently. The event was inaugurated by founder B Singh. Students from primary and secondary displayed an array of exhibits in the school hall. There were a number of working models. Projects on Hydraulic Pressure, Centripetal Force, Magnetic Field Induction, Gun Tank, Rain Water Harvesting, Modern Technique used in agriculture, Bermuda Tri-

angle ect. The main aim of the exhibition was to inculcate scientific temper and build power of reasoning, to make learning interesting for children. The founder of the school B. Singh applauded the students and teachers for their ideas which would help the world to become a much better place to live in. She said science gives us tools of immense power and as with any other form of power, the misuse is always a possibility. It therefore becomes incumbent on us to be judicious. Principal Sadhana Singh thanked all the teachers and the participating teams for making this event mega event.
